Only miss the sun when it s starts to snow

Only know you love her when you let her go

Only know you've been high when you're feeling low

Only hate the road when you're missin'home

Only know you love her when you ve let her go

Only miss the sun when it s starts to snow

Only know you love her when you let her go

Only know you've been high when you're feeling low

Only hate the road when you're missin' home

Only know you love her when you've let her go

Staring at the ceiling in the dark

Same old empty feeling in your heart

Love comes slow and it goes so fast

Well you see her when you fall asleep

But never to touch and never to keep

'Cause you loved her too much

And you dive too deep

Because you only need the light when it's burning low

Only miss the sun when it starts to snow

Only know you love her when you let her go

Only know you've been high when you're feeling low

Only hate the road when you're missin' home

Only know you love her when you've let her go

And you let her go

Ooooo ooooo ooooo

And you let her go

Oooooo ooooo ooooo

And you let her go

Em C D D
