Capo 3

[Chorus]

It's been a long day without you my friend
 And I'll tell you all about it when I see you again
 We've come a long way from where we began
 Oh I'll tell you all about it when I see you again
 When I see you again

[Verse]

Damn who knew all the planes we flew
 Good things we've been through
 That I'll be standing right here
 Talking to you about another path I
 Know we loved to hit the road and laugh
 But something told me that it wouldn't last
 Had to switch up look at things different see the bigger
 Those were the days hard work forever pays now I see you
