Refrain

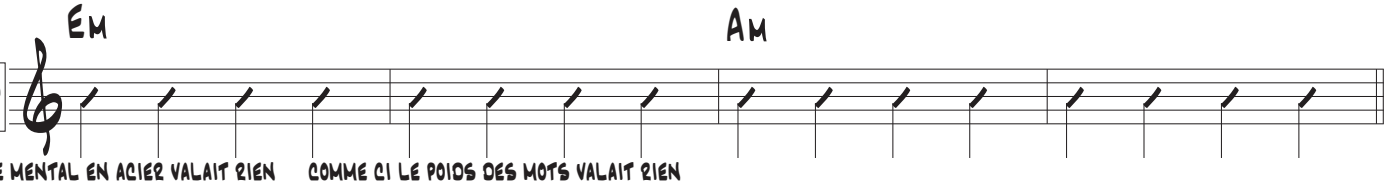

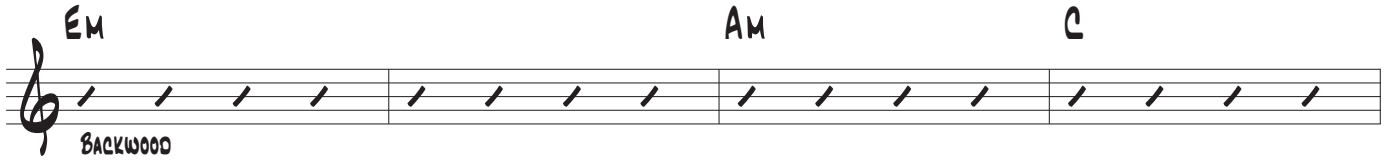

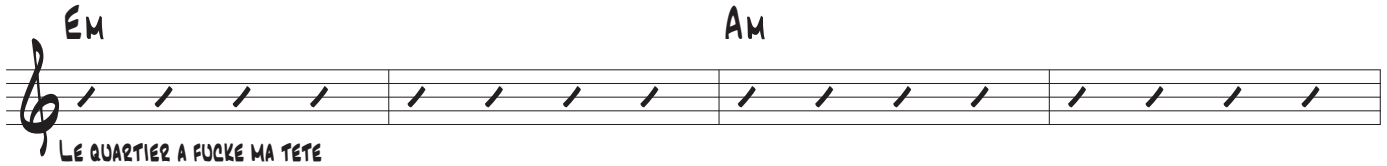

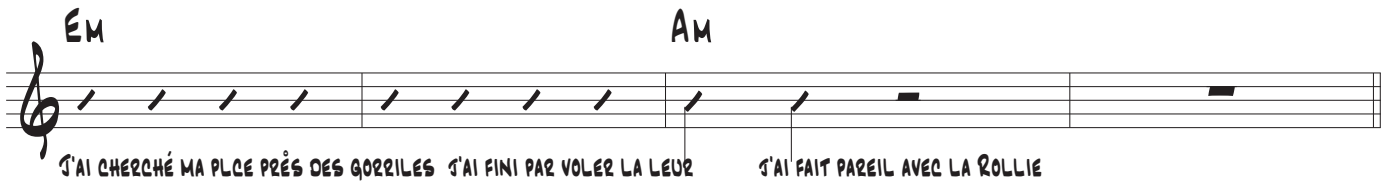

Couplet

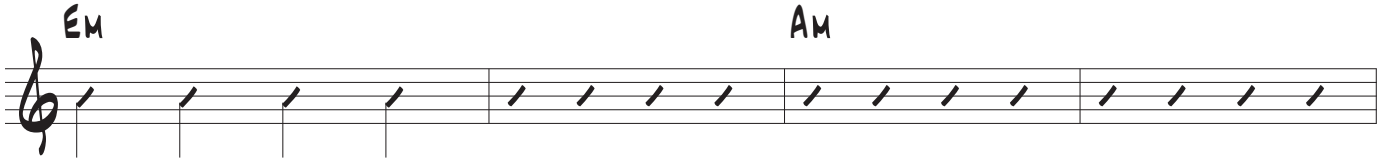

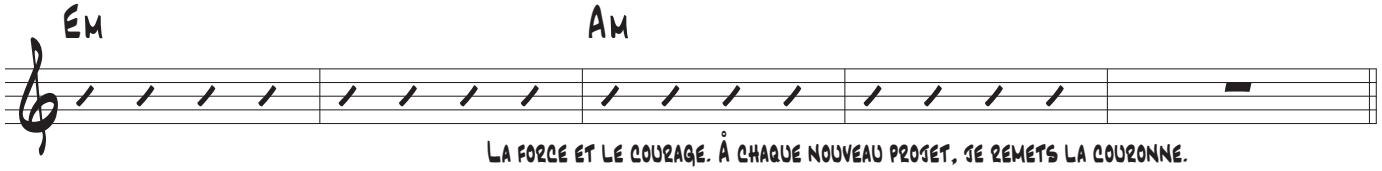

Hier encore

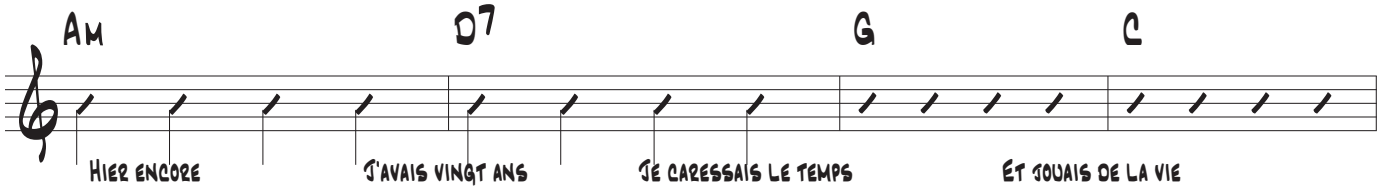

La rue d'aujourd'hui me répugne. La rue d'aujourd'hui ne ressemble plus à celle que j'ai connue.

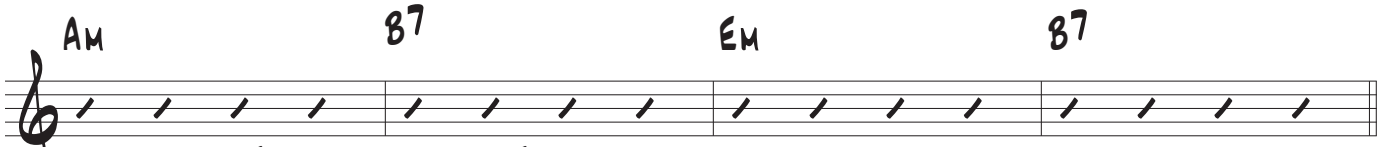

La force et le courage. À chaque nouveau projet, je remets la couronne.

Refrain

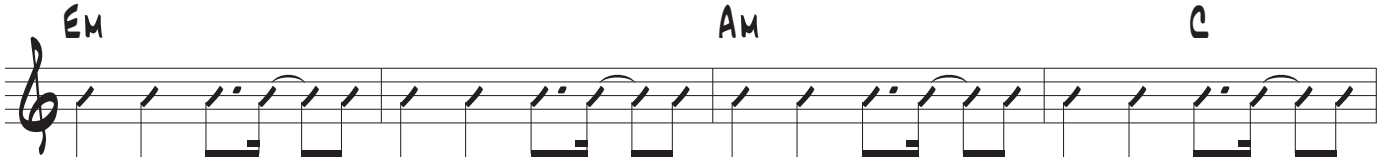

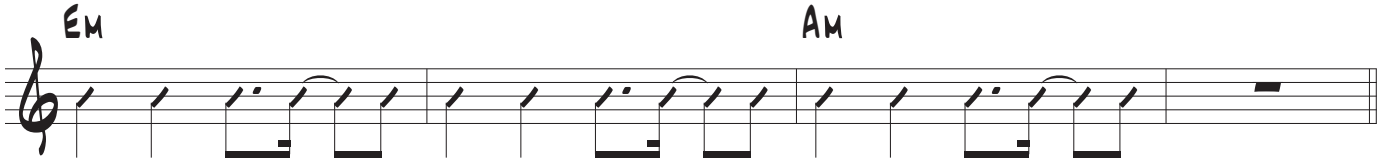

Hier encore j'avais vingt ans je caressais le temps et jouais de la vie

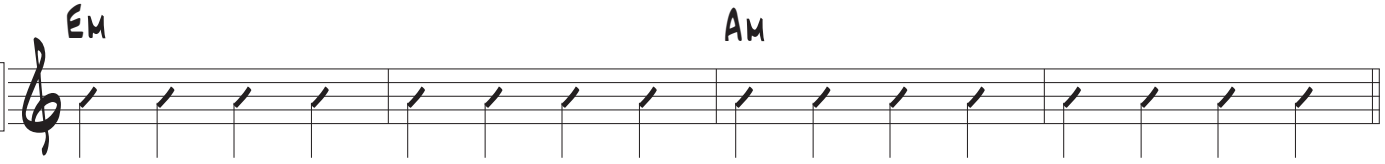

Comme on joue de l'amour et je vivais la nuit sans compter sur mes jours

Post

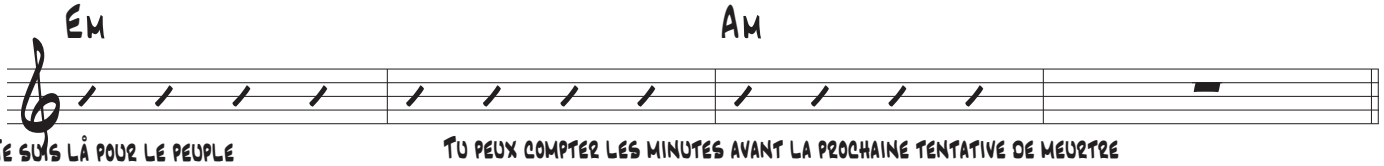

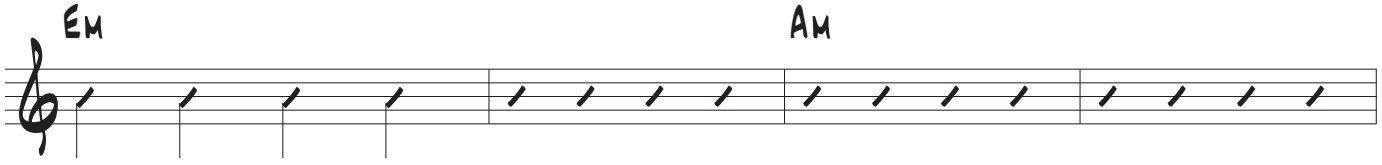

Couplet

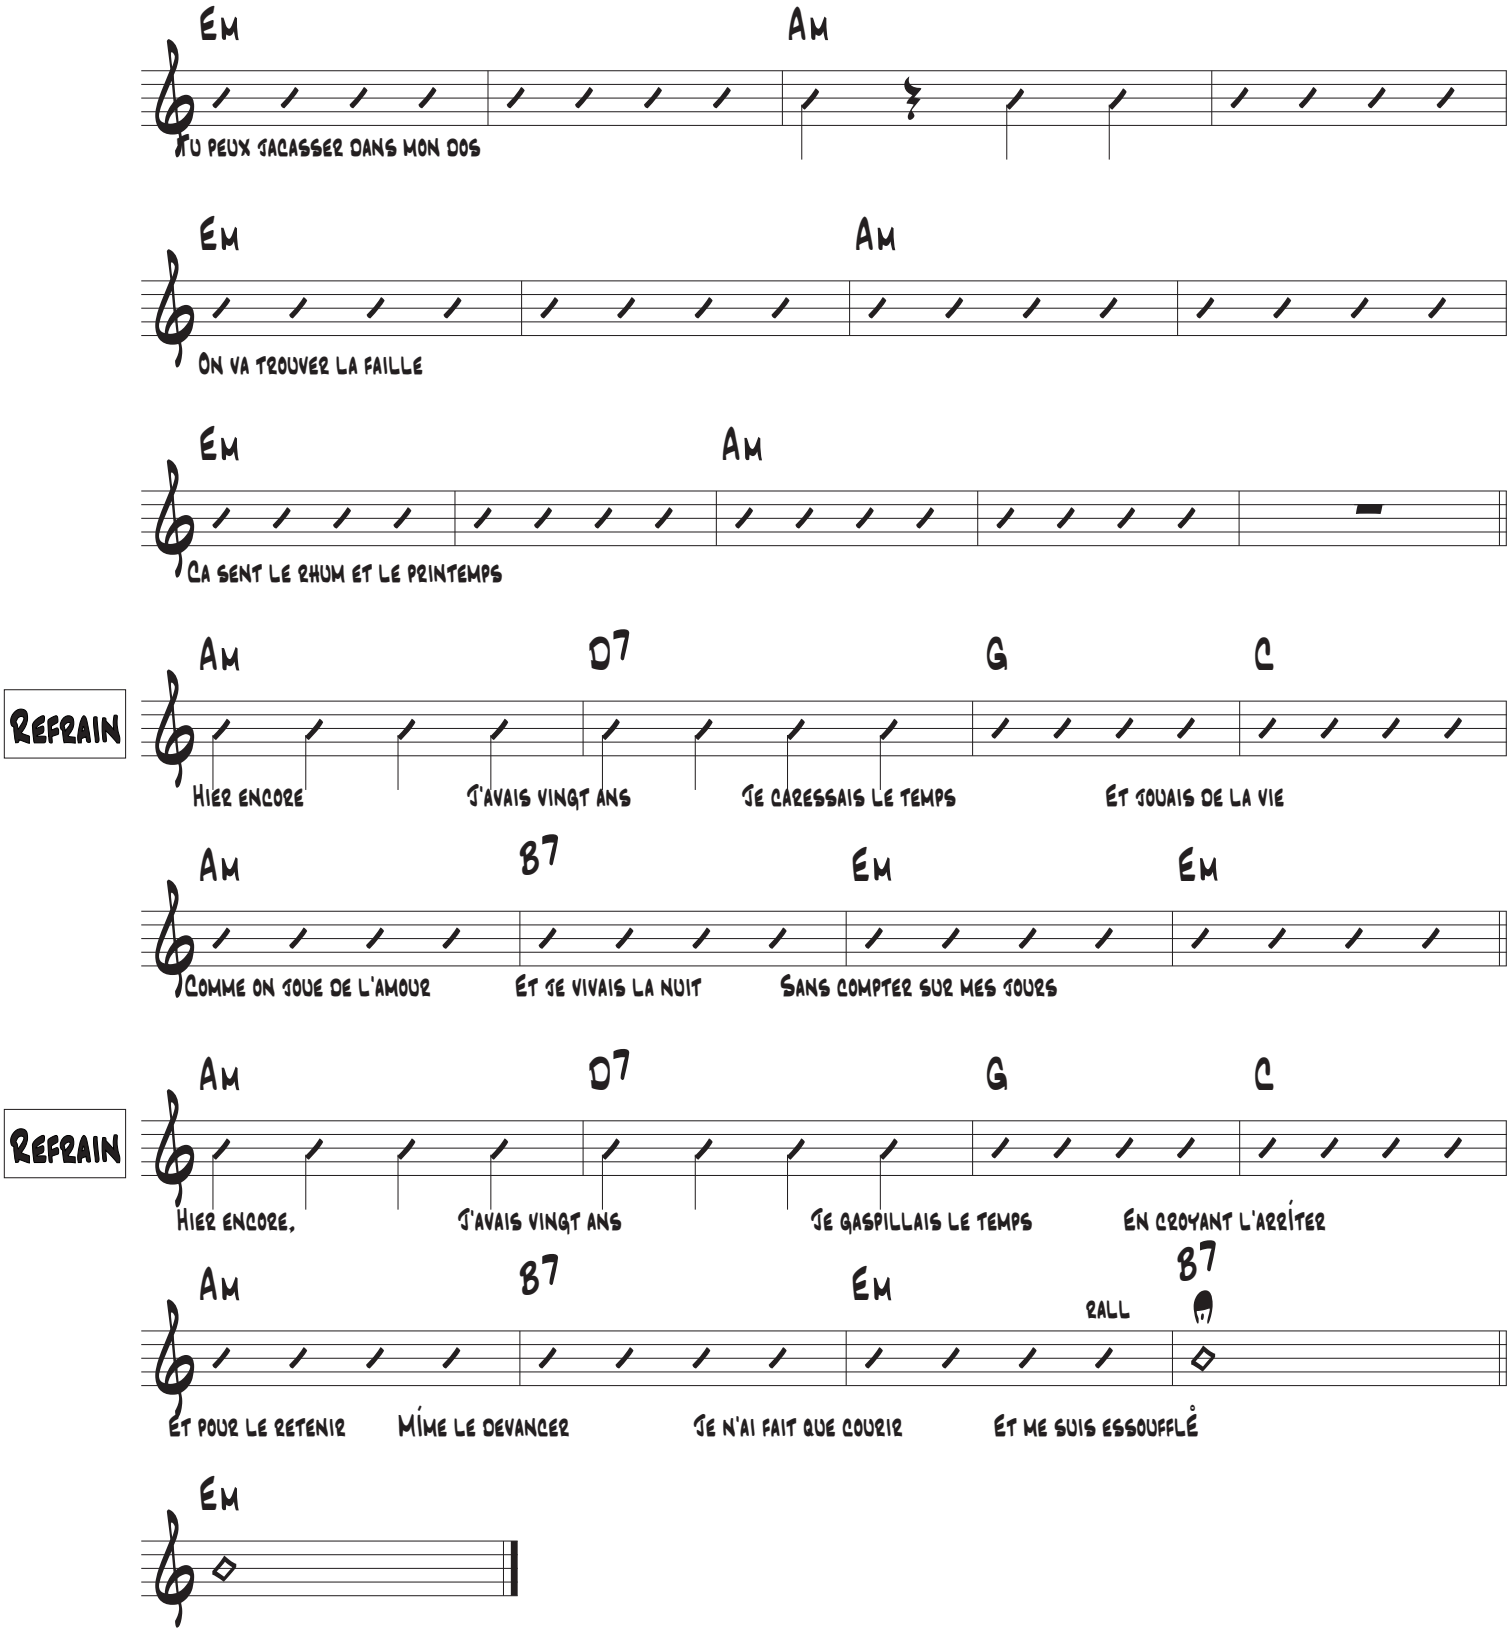

De la viande sous les crocs

Je suis là pour le peuple tu peux compter les minutes avant la prochaine tentative de meurtre
