I'm Still Standing

Elton John

Couplet

Rubato

A D E A

1. You could never know what it's like. Your blood like winter freezes just like ice.
2. And did you think this fool could never win? Well look at me, I'm coming back again.

D D E F♯m D A

And there's a cold lonely light that shines from you. You'll wind up like the wreck you hide behind that mask you use.
I got a taste of love in a simple way. And if you need to know while I'm still standing you just fade a - way.
