# Riptide

Guitare

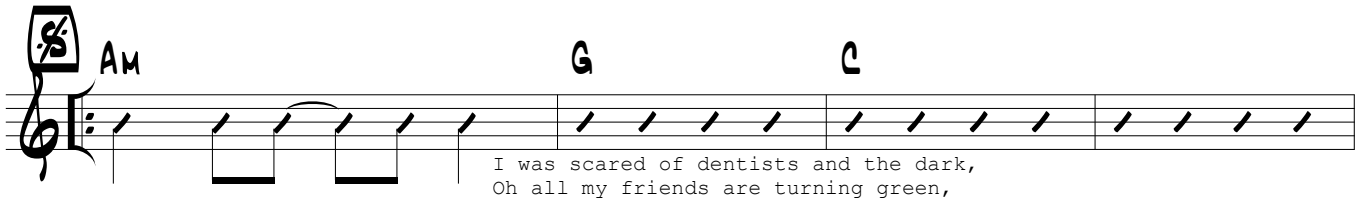

Capo 1

Vance Joy

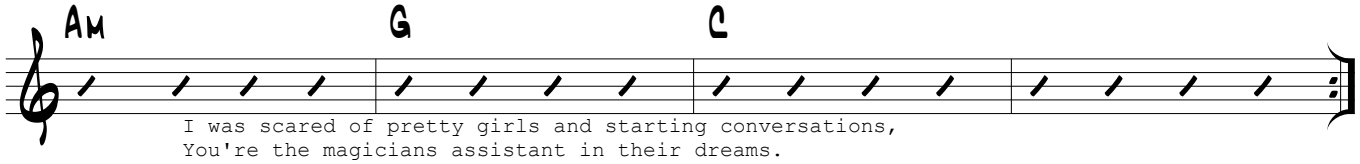

**Intro**

**Couplet**

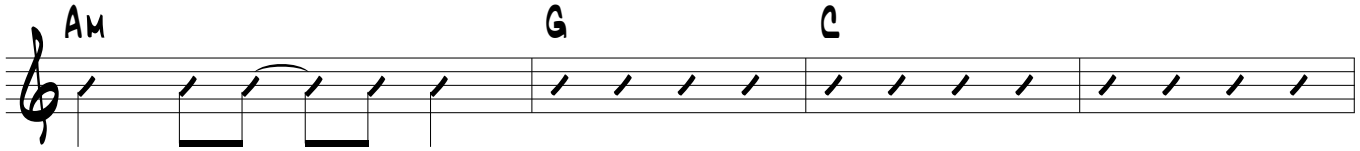

I was scared of dentists and the dark,
Oh all my friends are turning green,

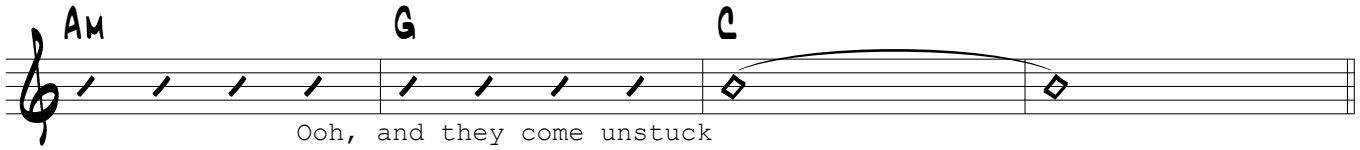

I was scared of pretty girls and starting conversations,
You're the magicians assistant in their dreams.

**Pre**

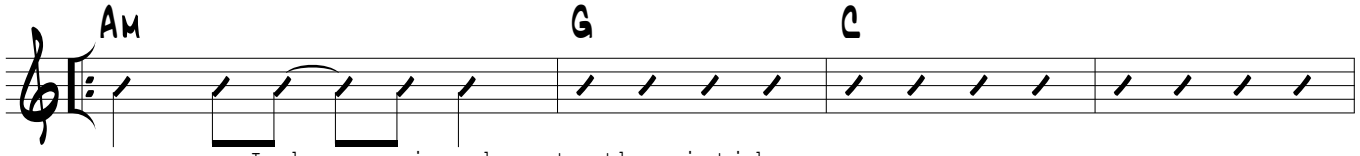

Ooh, ooh ooh

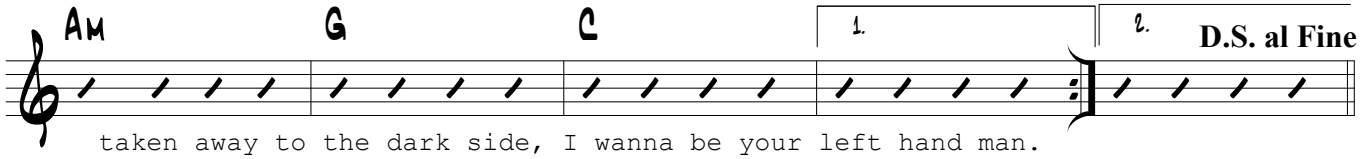

Ooh, and they come unstuck

**Refrain**

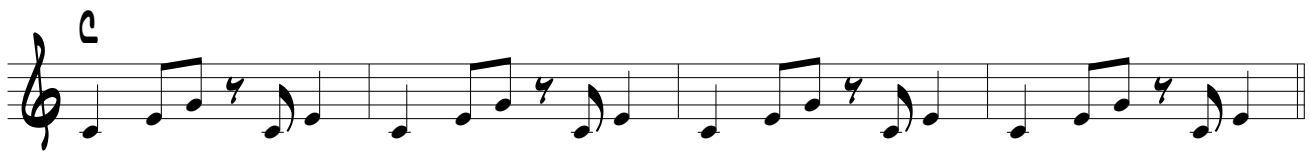

Lady, running down to the riptide,
I love you when you're singing that song and,

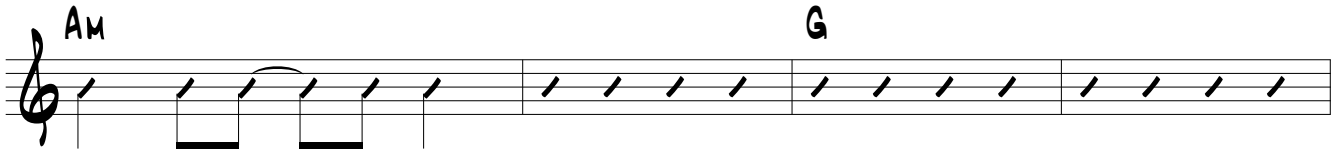

taken away to the dark side, I wanna be your left hand man.
I got a lump in my throat 'cause, you're gonna sing the words wrong

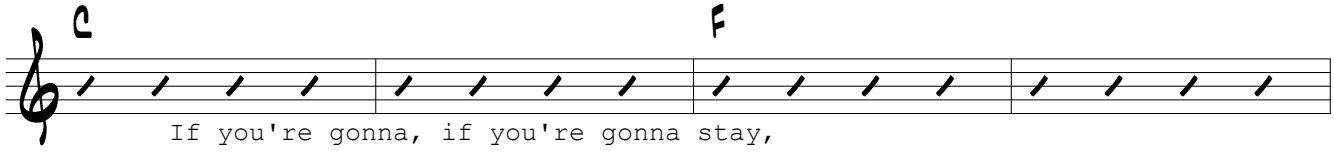

**Interlude**

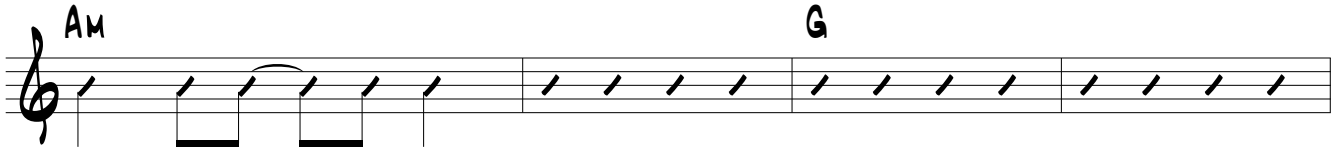

**Pont**

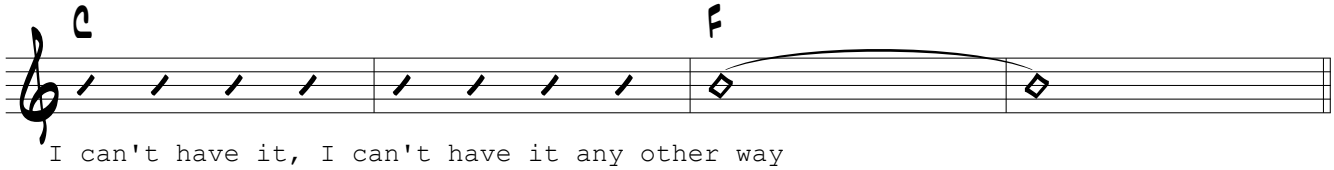

I just wanna, I just wanna know,

If you're gonna, if you're gonna stay,

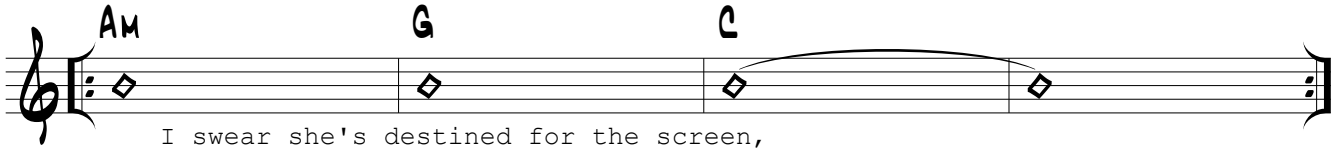

I just gotta, I just gotta know,

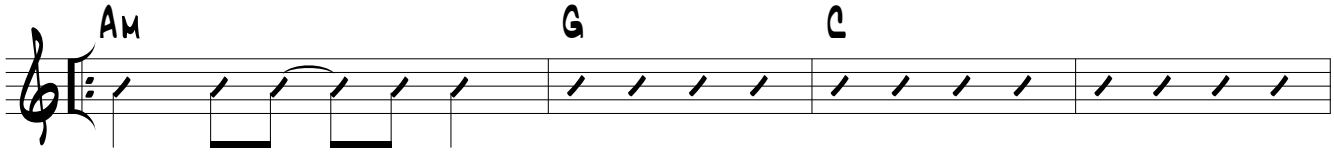

I can't have it, I can't have it any other way

**Pre**

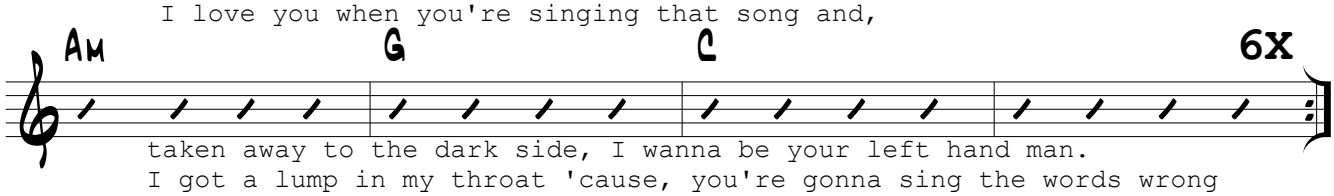

I swear she's destined for the screen,
Closest thing to Michelle Pfeiffer that you've ever seen, oh

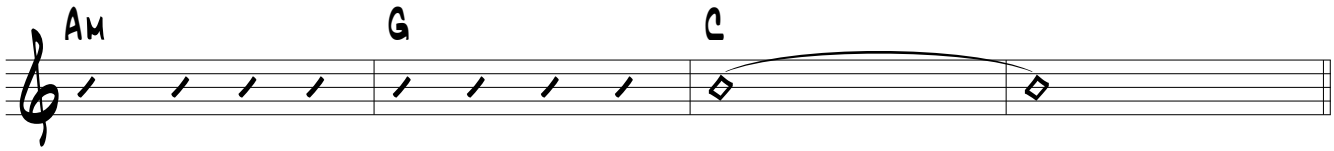

**Refrain**

Lady, running down to the riptide,
I love you when you're singing that song and,

taken away to the dark side, I wanna be your left hand man.
I got a lump in my throat 'cause, you're gonna sing the words wrong

I got a lump in my throat 'cause you're gonna sing the words wrong.

**Fine**
